

GALA BOX SOCIAL TO MARK ST. PATRICK'S

The place to go this Saturday at 7:00 p.m. is the Hollywood Riviera Beach Club. The occasion is the Las Vecinas St. Patrick's Day box social, and the club is expected to be a maze of gaily adorned box lunches.

The grapevine reports that Saturday afternoon will find the "gals" busily ironing their ruffled cottons, frying chicken and baking pies in sharp anticipation of the event.

Mrs. Robert Matson, social chairman, announces that Bud Newborn will commence auctioning off the lunches at about 7:00 p.m., with bidding starting at \$1.00. Coffee will be available for five cents a cup. Decorations will be handled by Mrs. Harvey Cole and her committee, and will of course be along the St. Patrick's Day theme.

Let's all remember Saturday evening. The public is cordially invited, and there will be no charge for admission.

Guardian Council Marks Deputy's Official Visit

Members of Job's Daughters Guardian Council were entertained Monday evening at the home of Mrs. Rolive Bever, with the council guardian, Edna Babcock, as hostess.

The occasion marked the visit of Mrs. Nelle Montague, of Long Beach, deputy district guardian, who was present to inspect the work of the council and hold a school of instruction.

Reports were given by Mrs. Mildred Edwards, secretary, and Mrs. Lois Lougee, treasurer.

Approximately \$50 was earned at the recent spaghetti dinner in Masonic banquet room with Mrs. Mildred Edwards, Bethel secretary, as chairman.

A unanimous vote was cast to hold a council meeting on the second Monday of each month in members' homes.

Assisted by Mrs. Kathleen Ritko, Mrs. Babcock and Mrs. Bever served delicious refreshments at the close of the meeting.

SQUARE DANCE

The Bethel-sponsored square

dance held Friday evening in Christian Church banquet room was an enjoyable affair with Lin Branum as caller.

Refreshments were served by Mothers Club members, headed by Mrs. Edna Babcock, Bethel guardian.

"When you're out flying your kites, fly them the SAFE way!"

REDDY KILOWATT is right about that, boys and girls. The "expert" kite flyers know that it's more fun when you follow the four simple safety rules for kite flying. Here they are:

1. Fly your kite in an open field, away from electric power lines and other overhead obstructions.

2. NEVER use wire, tinsel or metallic string.

3. Be sure the string is perfectly dry.

4. If the kite catches in a power line, let go immediately. Don't pull! Phone the company owning the line and a lineman will get your kite for you.
